26 Process to be confidential:

Information relating to the examination, clarification, evaluation and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process. Any effort by a bidder to influence the Employer's processing of bids or award decisions may result in the rejection of the bidder's bid.

27 Preliminary examination of technical proposal:

The Employer will examine the bids to determine whether they are complete, whether the documents have been properly signed, whether-the required security is included, and whether the bids are generally in order. Any bids found to be non-responsive for any reason or not meeting the minimum levels of the performance or other criteria specified in the bidding documents will be rejected by the Employer and not included for further consideration.

28 Evaluation & comparison of technical proposal

The Employer will carry out a detailed evaluation of the bids in order to determine whether the technical aspects are substantially responsive to the requirements set forth in the bidding documents. In order to reach such a determination, the employer will examine the information supplied by the bidders and other requirements in the bidding documents, considering the factors mentioned in clause mentioned, on a pass or fail basis:

29 Technical Bid Evaluation

The objective of the technical evaluation shall be to assess the technical competence of the bidder. After completion of Technical evaluation, marks shall be awarded to the qualified bidders as per marking system.

30 Clarification of technical proposals and contacting the employer:

Any effort by the bidder to influence the employer in the Employer's evaluation of technical proposals, bid comparison or the Employer's decisions on acceptance or rejection of bids may result in the rejection of the bidder's bid.

31 Invitation to attend opening of price proposals:

At the end of the evaluation of the technical proposals and after receiving the approval from competent authority, the Employer will invite bidders who have submitted substantially responsive technical proposals and requisite technical score to attend the bid opening of the price proposals. Bidders shall be given reasonable notice of the price proposal bid opening. Financial Bid will be opened online.

After receiving the approval of competent authority, the Employer will notify Bidders that have been rejected on the grounds of being substantially non-responsive to the requirements of the bidding documents in writing and return the unopened price proposal.

Opening and Evaluation of Price Proposals

32 Opening of price proposals:

- The Employer will open the price proposals of all technically qualified bidders after presentation and evaluation who submitted substantially responsive technical proposals the time and date of the price bid opening will be communicated to all technically qualified bidders. The bidder's representatives who are present shall sign a register evidencing their attendance.
- Process to be confidential.
- Information relating to the examination, clarification, evaluation and comparison of bids and recommendation for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful bidder has been announced. Any effort by a bidder to influence the Employer's, processing of bids or award decisions may result in the rejection of the bidder's bid.

33 Clarification of price proposals and contacting the employer:

- To assist in the examination, evaluation and comparison of price proposals, the Employer may, at its discretion, ask any bidder for clarification of its bid. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the bid shall be sought, offered or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids in accordance with Clause mentioned.
- Subject to Sub-clause mentioned, no bidder shall contact the employer on any matter relating to its bid from the time of opening of price proposals to the time the contract is awarded. If the bidder wishes to bring additional information to the notice of the Employer, it should do so in writing.
- Any effort by the bidder to influence the Employer in the Employer's evaluation of price proposals, bid comparison or contract award decisions may result in the rejection of the bidder's bid.

34 Preliminary examination of price proposals and determination of responsiveness:

- The Employer will examine the bids to determine whether they are complete, whether the documents have been properly signed, whether the required security is included, whether the bids are substantially responsive to the requirements of the bidding documents; and whether the bids provide any clarification and/or substantiation that the Employer may require pursuant to clause mentioned.
- A substantially responsive bid is one which conforms to all the terms, conditions and requirements of the bidding documents, without material deviation or reservation and includes the amendments and changes, if any, requested by the Employer during the evaluation of the bidder's technical proposal.
- If a price proposal is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

35 Correction of errors:

- Price Proposals determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Arithmetic errors will be rectified on the following basis. If there is a discrepancy between the unit rate and the total cost that is obtained by multiplying the unit rate and quantity, the unit rate shall prevail and the total cost will be corrected unless in the opinion of the Employer there is an obvious misplacement of the decimal point in the unit rate, in which case the total cost as quoted will govern and the

unit rate corrected. If there is a discrepancy between the total bid amount and the sum of total costs, the sum of the total costs shall prevail, and the total bid amount will be corrected.

- The amount stated in the Form of Bid for Price Proposal will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, its bid will be rejected, and the bid security may be forfeited in accordance with Sub-Clause mentioned.
- Conversion to single currency: not applicable:

36 Evaluation and comparison of proposal:

- a. The Employer will evaluate and compare only the bids determined to be substantially responsive in accordance with Clause mentioned.
- b. Evaluation will be done on the total bid price inclusive of all taxes and duties.
- c. Pursuant to Sub-Clause mentioned, the following evaluation methods will be followed:

36.1 The evaluation of the bids would be carried out as under:

- The bidder will be selected as per Quality and Cost based selection (QCBS) procedure.
- Weighting of concept presentation score to financial score will be 80:20
- Financial Bid will not be opened until evaluation of technical qualification bid has been completed and the result approved by the competent authority. The Financial Bid shall be opened online.
- Minimum qualification for opening of Financial bid would be 70 marks including technical and concept presentation score.
- The weightage to technical qualification (including presentation) and Financial bid would be 80 per cent and 20 per cent respectively. For this purpose, the highest technical qualification would be awarded 80 marks and the lowest financial bid would be given 20 marks.

Financial Bid: The financial bid would be awarded marks out of maximum 20 based on following formula:

$$\text{Marks (Max 20) on Fin. Bid (F)} = 20 \times \frac{\text{Lowest Financial Bid}}{\text{Financial Bid under evaluation}}$$

Total Marks = Technical (80) +Financial (20)

The bidder scoring Maximum Total Marks would be recommended for selection and may be called for negotiations.

37 Technical Proposal.

Bidders submitting bids that deviate from the time schedule specified will be rejected.

38 Functional Guarantee of the facilities:

Bidders shall state the functional guarantees (e.g. performance, efficiency, consumption) of the proposed facilities in response to the Employer's Requirements. Plant and equipment offered shall have a minimum (or a maximum, as the case may be) level of functional guarantees specified in the Employer's Requirements to be considered responsive. Bids offering plant and equipment with functional guarantees less (or more) than the minimum (or maximum), specified shall be rejected.

39 Work, services, facilities etc., to be provided by the Employer:

Where bids include for the undertaking of work or the provision of services or facilities by the Employer in excess of the provisions allowed for in the bidding documents, the Employer shall assess the costs of such additional work, services and/or facilities during the duration of the contract. Such costs shall be added to the bid price for evaluation; and

- 39.1 Any adjustments in price that result from the above procedures shall be added, for purposes of comparative evaluation only, to arrive at an "Evaluated Bid Price." Bid prices quoted by Bidders shall remain unaltered.
- 39.2 The Employer reserves the right to accept or reject any variation or deviation. Variations, deviations, and other factors which are in excess of the requirements of the bidding documents or otherwise result in the accrual of unsolicited benefits to the Employer shall not be considered in bid evaluation.
- 39.3 The estimated effect of the price adjustment provisions of the Conditions of Particular Application, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.
- 39.4 If the bid of the technically qualified bidder is substantially below the Employer's estimate for the contract, the Employer may require the bidder to produce detailed price analyses to demonstrate the internal consistency of those prices. After evaluation of the price analysis, the Employer may require that the amount of the performance security set forth in Clause as mentioned should be increased at the expense of the successful bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful bidder under the Contract. However, if employer feels that with substantially lower quotation, the desired quality of work is not possible, than it is at the discretion and right of employer to reject or to consider such price offer. Under such circumstances, the second lowest bidder shall be called for negotiation.

AWARD OF CONTRACT

40 Award:

Subject to Clause mentioned, the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding documents and who has offered the Quality and Cost based selection (QCBS) clause.

41 Employer's right to accept any bid or to reject any or all bids:

Notwithstanding Clause 40, the Employer reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Employer's action.

42 Notification of award:

Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder by fax, confirmed by registered letter, that its bid has been accepted. This letter {hereinafter and in the Conditions of Contract called the "Letter of Intent") shall name the sum which the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Conditions of Contract called "the Contract Price").

The notification of award will constitute the formation of the Contract.

Upon the furnishing by the successful bidder of a performance security, the Employer will promptly notify the other bidders that their bids have been unsuccessful and issue
